Baccalaureate Sermon.

Dr. William C. Lindsay, pastor of the Presbyterian church, preached the Ocala High school baccalaureate sermon in the Baptist church Sunday morning. His text was taken from a part of the third verse of the 22nd chapter of the Acts of the Apostles: "Brought up at the feet of Gamaliel and taught according to the perfect manner of the law of the fathers." The eloquent divine started out by saying that in former days there was a prejudice against learning and to have "rubbed up against college walls" was destructive to a man's popularity. This prejudice was especially noticeable in the pulpits and the less learning a man had the more power he was supposed to possess in arousing the spirit of the cleansing power.

Dr. Lindsay showed into what narrow ruts this prejudice against learning involved the church and quoted the "hanging of witches," St. Bartholomew's massacre and other like incidents as examples.

In contradistinction to this narrow-mindedness the speaker showed how education broadened and elevated mankind. That since education had come within the reach of the masses, the churches have become broader and more tolerant, science has entered upon the arena and the whole world has become animated with a new life and a new purpose and a marked revolution has been the result.

Dr. Lindsay dwelt upon the fact that the educated man enjoys life and all that is in it in a larger measure than the uneducated man and said that the legacy of a good education is a greater bequest than a legacy of great wealth.

The sermon was especially practical and was also chaste and eloquent in diction and left a splendid impression upon those who heard it.

The church was crowded, every available seat both in the church and the annex being used. A choir composed of Messrs. G. A. Nash, G. W. Martin, A. E. Gerig and R. T. Mathews, Miss Mura Griffin, Mrs. R. G. Blake, Mrs. G. W. Martin, Mrs. G. R. McKean, Mrs. J. P. Hilburn and Mrs. W. J. Byrne sang beautifully the anthems "Trust in the Lord," by Kandel, and the "Gloria," from Mozart's "Twelfth Mass." Miss M. B. Wartmann played the organ and Mr. W. W. Condon accompanied on the violin and the entire musical program was very delightful. The graduating class and the teachers of the Ocala High school occupied the front seats.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and Lagrippe. At Tydings Co., druggist, price 50c and \$1.00; guaranteed. Trial bottle free. m

Sistrunk's bill prohibiting the handcuffing of white female prisoners to colored prisoners, passed the house after being amended to include white male prisoners. The bill providing for reprinting the supreme court reports passed. The bill for protection of fresh water fish was indefinitely postponed.

Now is the time you will be wanting to hang new shades on your windows, and you might look a long time before you found anything prettier at as low prices as the ones being shown by Pittman & Son, the furniture men.

Hallie Ermine Rives to Wed Author in Europe.

Great interest has been aroused over the south by the announced engagement of Miss Hallie Ermine Rives, the famous author, to Post Wheeler, journalist and author.

Terrific Race With Death.

"Death was fast approaching," write Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, as a result of liver trouble and heart disease, which had robbed him of sleep and of all interest in life. I had tried money different doctors several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Tydings & Co., druggist. Price 50c. m

To grow strong. Unless we get good meat we may as well let it alone. There is no strength in tough meat—instead of giving it takes strength to digest it. It pays to be careful in buying meat—be sure to get the best—tender and choice. Pay a little more if need be and put something in your stomach which will put flesh on your bones and strong blood in your veins.
